Established in 1938, **Canadian Power & Sail Squadrons (CPS)** is a nationwide organization of recreational boating enthusiasts. CPS is a charitable organization with over 30,000 active members. Our volunteer instructors help recreational boaters improve their boating safety knowledge as well as their vessel handling and navigation skills. Successfully complete the Boating Course or Boat Pro and receive a one year complementary membership to CPS with access to member benefits.

Operator Card course*

Canadian Power & Sail Squadrons
Volunteers Teaching Safe Boating

Boat Pro

The Boat Pro seminar provides you with the opportunity to prepare for your Pleasure Card Operator Card (PCOC) exam.

Clearly the best of the PCOC seminars available, this highly acclaimed seminar was one of the first to be accredited by the Canadian Coast Guard.

Crossing the border? CPS is one of the few providers of safe boating courses that is approved by both Transport Canada and the US National Association of State Boating Law Administrators.

Individuals passing the Boat Pro exam may apply for CPS Associate Membership. A leader in its field, the Boat Pro seminar is a great introduction for your family to boating safety, operation and navigation.
