Established in 1938, **Canadian Power & Sail Squadrons (CPS)** is a nationwide organization of recreational boating enthusiasts. CPS is a charitable organization with over 30,000 active members. Our volunteer instructors help recreational boaters improve their boating safety knowledge as well as their vessel handling and navigation skills. Successfully complete the Boating Course or Boat Pro and receive a one year complementary membership to CPS with access to member benefits.

Maritime Radio

Secure your lifeline today

Canadian Power & Sail Squadrons
Volunteers Teaching Safe Boating

Maritime Radio

The Maritime Radio course teaches emergency radio procedures, as well as everyday operating techniques to you and your family. As well, the course prepares you for the Restricted Operator Certificate (Maritime) with DSC Endorsement examination.

In module 1, you will be taught the uses of marine radios, choice of frequencies, operation, phonetic alphabet, procedural words and phrases.

Module 2 covers Digital Selective Calling and the Global Maritime Distress and Safety System, (DSC/GMDSS). All mariners, including recreational boaters, will want to take advantage of the many features and capabilities of this innovative form “automatic” radio.

Sign up with your local Squadron or register for online education with Sheridan College.

Visit <http://www1.sheridanc.on.ca/programs/coned/distancelearning/all.cfm> for online training.
